Hello, My name is Neha. I am currently pursuing a Bachelor of Technology (B.Tech) degree from Silver Oak University and in my 6th semester. In addition to my academic studies, I am actively working towards becoming a MERN stack developer by attending a training program at TOPS. I am enthusiastic, self-motivated, reliable, responsible, and hardworking. I possess great teamwork skills and can adapt to challenging situations with ease.

Experience

- Internship @ Applen Solution 01 Feb 2024 - 14 Apr 2024
